

Opening Doors to Discipleship offers congregations FREE online volunteer training, leader development and faith formation which may be studied at church or at home.

Each course has 12 sessions packed with engaging life stories, solid biblical background material, opportunities for reflection through journaling or small group discussion and an invitation to apply your learning in your daily life.

Courses and sessions can be studied in groups or individually and in any sequence; skipping sessions or rearranging the order to suit the needs of the participants.

Announcing a brand new course available now on

Opening Doors to Discipleship
